Note: The theme for this Summer Yearbook issue is taken from the theme of the National Urban Coalition's Twenty-first Anniversary Convocation held in Washington, D.C., in May 1988. Papers noted in the table of contents with an asterisk were drawn from presentations at the convocation.

Cover: The doorway to opportunity and the stairway to learning—these are the key elements of the experience offered by A Better Chance, Inc. (ABC). Thousands of talented minority students, mostly from the nation's inner cities, have entered this door and climbed these stairs at ABC member schools all over the country. The cover photo, taken by Peter Jones, of an ABC student at Phillips Exeter Academy appears on ABC's informational materials. Used with permission. More about ABC on page 459.
